TWENTY-FIFTH ANNUAL MEETING

AMERICAN ANTI-SLAVERY SOCIETY.

RELIGIOUS REVIVALS.

Roston: Bols Marsh. This speech has been published at length in THE STANDARD, and many of our readers, we are sure, will be glad to possess it in a more nonvouent and permanent form. It may be obtained at this office.

PERSONAL.

John P. Pntuam has been appointed Judge of Probate for Boston, in place of Edward Greeley Loring removed.

Thomas H. Beston is confined to his bed by an internal nancer, which, at no distant day, perhaps even in a few reeks, will destroy his life. In spite of severs saffering, be is labouring assidnously to complete his Abridgement of the Debates of Congress.

ABOLITION OF SEREDOM IN RUSSIA.

From the Priests' Bretser

This great work, commenced by Alexander I, promises
find its consumation under Now has given several
standard to the principle of the septem
takenesis, showing the acts of the Emperor and the cocention of the Nobles in many attricts, to effect the
opposed change in the conditional attricts, to effect the
opposed change in the conditional attricts, to effect the
opposed in the second series of the series of restriction
of American slave as to be rather an object of contrast
and occupation; and hence, there is much truth in the
many than the series of the series of the series of the
proportion as the serf is subjected to compused,
proportion as the serf is subjected to compused
pour and to the payment of an obrot out of his earning, or
cease comes within the scope of Christian mornality,

A GLIMPSE OF SHELLEY.
